

2009 Sport BC President's Award

Marta Kroupa

Marta moved to BC several years ago from Saskatchewan and arrived with a rich history in our sport.

She has been instrumental in not only preparing the new NCCP manuals for our sport but also in delivering quality and consistent coaching programs throughout our province.

As a certified National level judge she also contributes countless hours to assist our local clubs with their competitions and has always been a strong supporter of our Special Olympics programs.

Thank you and congratulations Marta!
